

**JOONDALUP ULYSSES GROUP (JUG)  
MINUTES OF MEETING HELD AT WHITFORDS TAVERN**

**TUESDAY 11th JULY**

**ATTENDANCE**

70ish Turned up to the 5th Birthday of JUG

**OPENING**

Jim Carr Recounted some genuine true stories the first of which was concerning two parrots sitting on a perch - or branch or something. Then Shane interrupted with his mobile, followed shortly after by Kerry and Anne. Was this some sort of conspiracy to keep Jim from telling more stories? It didn't work - he went on to tell one about an old guy in the Confessional and another about an unsuccessful suicide attempt.

We next celebrated, in the usual fashion, the birthdays of Lyn Fran Geo and our MC whilst wishing the JUG a happy 5th

Best wishes for a speedy recovery went to Alistair and the Bear.

Jim announced a bargain priced carbon fibre muffler for sale

**PRESIDENT**

The moment you've all been waiting for, the new prez (with whistle) Peter Haines announced and demonstrated the club official salute. Which he stole from the Purple Helmets stunt display team. Pete always was a fan of cunning stunts. Next we welcomed our visitors/potential members

Jan Bedola our natcom representative

Peter Culverwell

David Lynch

Norm Dann

Boyd Emerson

Noelene Mathe

Gary Murray

Julie Bligh

Zoe Stone

Dinah Turner

The presidential message for this month was to carry on being silly and enjoying your riding.

**TREASURER**

Brock gave the usual long report - the bank are still managing to get the balances right. He also drew our attention to the importance of keeping our membership up to date it can cost up to \$100 if you don't. Also an appeal for Photos for the website, anything as long as its not porn.

**SECRETARY**

The minutes of the Natcom Meeting are available for anybody wishing to peruse them.

Please fill in the personal details forms and return them to either Brock or myself it is important that we have up to date contact details for all

members.

At a request from the past secretary the secretary then showed his tits.

### **EDITOR**

Fran gave out a plea for ride reports and announced the new "mugshot of the month" feature

### **SALES**

Achoo Sue has got stuff and wants to sell it. She also announced the next meeting of the skit participants at Pete's on the 25th

### **TOUR MASTER**

Shane (new tour master cos old one doesn't have a bike anymore) made a plea for ride leaders, particularly new ride leaders to come forward and if necessary they can be buddied with an experienced ride leader. Also announced was the Memorial Ride on the 10th September which the JUG are organising this year. It is proposed that all the Ulysses clubs meet up in Midland and ride up to Lake Leschenaultia together for a short service - Bishop - prayers - roll of honour. This will be preceded by a press release so that we can gain a bit of positive publicity for Ulysses.

Viv then announced that it was the last chance for a Kinky weekend - least that's what I thought she said. Accommodation for the Odyssey is now down to the last set of bunks but there are adequate tent sites.

### **NATCOM REP**

Jan Bedola advised that natcom now has a new address, they have moved from Bargo and now have new offices and storage facilities at Norelan

### **A.O.B.**

Matt, Brian and DenBoy told of a fun ride they took up to Mt Magnet, Port Hedland and Broome - some 5000k's and Den was riding his 250cc Harleysung. Fuel and accommodation are reported as being expensive in Northern W.A.

Attie Kolkman a.k.a. The Dragon Lady invited us to visit her website [www.dragonlady1951.blogspot.com](http://www.dragonlady1951.blogspot.com) she is currently riding around Aus on a 600cc Aprilia Pegaso on her own. She set off from her home in Tassie and set off up the east coast and across the top end - 17000k's to date on 2 sets of tyres and 1 new chain. Pete suggested that when Attie leaves Perth that the JUG should escort her on the start of her next leg.

Diamond Jim our ring puller asked us to collect more ring pulls because they use them to make prosthetic limbs for people who can't afford stainless steel ones.

President Pete (as he now prefers to be called) announced a high speed braking course organised with the help of Wally Richards to be scheduled after the Odyssey sometime in the spring.

Jim Carr advised us of an excellent video he had recently been given "The Long Way Round" about Ewan McGregor and Charlie Boorman's motorcycle journey.

## **SOCIAL SECRETARIES**

President Pete got in deep shit for not fitting this item into the agenda before a.o.b. Anyway Pauline and Lyn have got together a social calendar for us and Pauline announced the Moon and Sixpence dinner, Spring in the Valley on October 8th and the intention to attend the Bullsbrook Rodeo en masse on New Years Eve for a camp out. Botanic Golf with Freo was another proposal. Get in touch if you have any ideas.

## **MUG OF THE MONTH**

Nominations were as follows :- DenBoy for finding his way all the way to Port Hedland but being incapable of finding his way out of the campsite to find the servo!

:- President Pete for going out drinking and finding that his spare set of keys were for the wrong house and then wrestling the dog for his blanket and sleeping outdoors on a 3 degree night - dickhead or what?

:- Kerry for leaving the skit meeting in the wrong jacket and then announcing at the coffee shop that someone had switched phones with her as the phone in the jacket she was wearing wasn't hers! that hair is definitely her natural colour.

And the winner was - DenBoy

Geo ran "Heads n Tails" Biggsy and Attie were the winners

Patric, Doctor Dave and Janine won multiple prizes in the raffle thanks to Merrin for selling so many tickets. I for one will be surprised if Kevin (the pedestrian) and the Bear sit with Shane at the next meeting due to his being flatulently challenged.  
meeting closed at 21.10

Thats all folks
