Bert always wanted a pair of authentic cowboy boots, so, seeing some on sale, he bought them and wore them home.

Walking proudly, he sauntered into the kitchen and said to his wife, 'Notice anything different about me?'

Margaret looked him over. 'Nope.'

Frustrated, Bert stormed off into the bathroom, undressed and walked back into the kitchen completely naked except for the boots.

Again he asked Margaret, a little louder this time, 'Notice anything different NOW?'

Margaret looked up and exclaimed, 'Bert, what's different? It's hanging down today, it was hanging down yesterday, it'll be hanging down again tomorrow!'

Furious, Bert yelled, 'AND DO YOU KNOW WHY IT'S HANGING DOWN, MARGARET?'

'Nope', she replied.

'IT'S HANGING DOWN, BECAUSE IT'S LOOKING AT MY NEW BOOTS!!!!'

Without changing her expression, Margaret replied, '**Shoulda bought a hat, Bert. Shoulda bought a hat.**'

## SHIPWRECKED:

A man was washed up on a beach after a terrible shipwreck. Only a sheep and a sheepdog were washed up with him. After looking around, he realized that they were stranded on a deserted island.

After being there awhile, he got into the habit of taking his two animal companions to the beach every evening to watch the sunset.

One particular evening, the sky was a fiery red with beautiful cirrus clouds, the breeze was warm and gentle - a perfect night for romance.

As they sat there, the sheep started looking better and better to the lonely man. Soon, he leaned over to the sheep and put his arm around it.

But the sheepdog, ever protective of the sheep, growled fiercely until the man took his arm from around the sheep.

After that, the three of them continued to enjoy the sunsets together, but there was no more cuddling.

A few weeks passed by and, lo and behold, there was another shipwreck.

The only survivor was Hillary Clinton.

That evening, the man brought Hillary to the evening beach ritual. It was another beautiful evening - red sky, cirrus clouds, a warm and gentle breeze - perfect for a

night of romance. Pretty soon, the man started to get 'those feelings' again..

He fought the urges as long as he could but he finally gave in and leaned over to Hillary and told her he hadn't had sex for months. Hillary batted her eyelashes and asked if there was anything she could do for him.

He said, 'Would you mind taking the dog for a walk?'

## **MAKES ME PROUD TO BE AN AUSSIE**

'Hello, is this the police?'

'Yes it is. How can we help you?'

'I'm calling to report about my neighbour, Wazza. He's hiding Cocaine inside his firewood!'

'Thank you very much for the call.'

The next day, police officers descend on Wazza's house in great numbers. They search the house and then go out to the shed where the firewood is kept. Using axes, they bust open every piece of firewood but they find no cocaine. They swear at Wazza and leave.

The phone rings at Wazza's house. 'Hey, Wazz, Did the cops come?'

'Yeah!'

'Did they chop up your firewood?'

'Yep.'

'Happy Birthday, maaaaaaaaaate

Two bored casino dealers are waiting at the crap table. A very attractive blonde woman from Tasmania arrived and bet twenty-thousand dollars (\$20,000) on a single roll of the dice.

She said, 'I hope you don't mind, but I feel much luckier when I play topless.'

With that, she stripped to the waist; rolled the dice; and yelled, 'Come on, baby.... Tassie Girl needs new clothes!'

As the dice came to a stop, she jumped up-and-down and squealed... 'YES! YES! I WON! I WON!'

She hugged each of the dealers... and then picked up her winnings and her clothes, and quickly departed.

The dealers stared at each other dumfounded. Finally, one of them asked, 'What did she roll?'

The other answered, 'I don't know... I thought you were watching.'

Moral ---

Not all Tasmanians are stupid. Not all blondes are dumb. But, all men..... are men.
